## Did You Know...

The latest New York State minimum wage poster is available?

### Employer Risks and Exposures

Because the minimum wage in New York State will increase from \$6.00 to \$6.75 per hour on January 1, 2006, the NYS Department of Labor has issued an updated poster with the new minimum wage rate listed.

Employers are required to display the minimum wage poster in a conspicuous location at each NYS work site to allow both employees and applicants the opportunity to review it. Failure to display the poster may result in a fine from the Department of Labor.

### Avoiding Disaster

Post the new minimum wage poster at each NYS work site no later than January 1, 2006. Make sure to place the poster in a conspicuous location where it is accessible to applicants and employees with disabilities and limited mobility.

The new poster may be obtained free of charge on **AMTEK's** web site by clicking on the following link: <http://amtekhr.com/pdf/224.pdf>

**Call AMTEK's Human Resource Hot Line at 1.800.457.8829 for information about our federal and NYS poster compliance packet or for assistance in downloading the NYS minimum wage poster.**
